

## Opening of GRAMMER Business Centre in Serbia

- *GRAMMER opens a business centre in Nis on April 07, 2025*
- *Active operation since October 2024*

**Niš, April 7, 2025** – GRAMMER AG, the German-based company and supplier to the automotive and commercial vehicle industry, officially opened the GRAMMER Business Center in Serbia on April 07, 2025. The opening was marked with a ceremony at the company's premises in the city of Nis hosting representatives of the German-Serbian Chamber of Commerce, Serbian Development Agency and company's management team.

The proximity to several universities and colleges and as a major economic center of Serbia, Nis provides GRAMMER with a great opportunity to recruit employees from various fields. The premises provide the appropriate infrastructure for the use of modern workstations.

The GRAMMER Business Center is currently employing approximately seventy professionals and has been fully operational since October 2024. The site is planning to reach a level of approximately 190 employees within 2027, primarily in the areas of business administration and IT.

"The establishment of the GRAMMER Business Centre in Niš is a central component of our business strategy. We are convinced that our dedicated local team has the necessary expertise to support the GRAMMER Group in the long term and make a significant contribution to its further growth and success," says Thomas Strobl, Member of the Executive Board of GRAMMER AG.

### **Company profile**

GRAMMER AG, based in Ursensollen, specializes in the development and production of components and systems for car interiors as well as suspended driver and passenger seats for on-road and off-road vehicles. In the Automotive product area, the company supplies headrests, armrests, center console systems, high-quality interior components and operating elements for well-known car manufacturers and system suppliers in the vehicle industry. The Commercial Vehicles product area comprises the business areas of truck and off-road seats (tractors, construction machinery and forklifts) as well as train and bus seating. GRAMMER operates in 20 countries with around 12,000 employees. GRAMMER's shares are listed in the Prime Standard and traded on the Munich and Frankfurt stock exchanges and the Xetra electronic trading platform.
